

Quick Start Guide

Now TV strives to provide customers with high-quality TV entertainment. We offer a wide variety of programs from world-renowned TV channels alongside customer-friendly value-added services – all delivered from a reliable service platform.

With so much to choose from, we've made life easier. My Now, Watchlist, TV Guide, Personalized Recommendations and other features to help you discover programs you'll love, and enjoy more of what you want, when you want it.

This guide has important tips to help you the most out of the advanced features of your Now TV set top box.

First Time Activation Code:

Enter the first 4 digits of your Hong Kong ID/passport number

Please key in your activation code on screen to start your Now TV service.

User PIN:

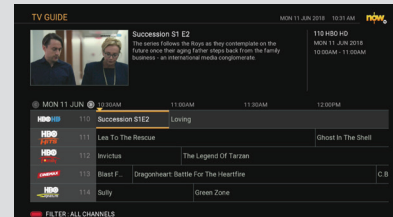

"0000" is the default PIN Number

This PIN can be used to subscribe to Now TV pay TV channels and certain other services as well as activate the Parental Control Lock on selected channels and program categories. Please do not disclose your PIN to prevent any unauthorized use. You are advised to change your PIN regularly for added security. Select **HOME** > **Settings** > **Change PIN**

*Note: Subscription to Now TV service is subject to the Terms and Conditions of Now TV. Now TV service is provided by Now TV Limited and / or its affiliates in accordance with the Terms and Conditions of Now TV. For further details on the Terms and Conditions of Now TV, please refer to Now TV website (www.nowtv.now.com/terms-and-conditions) or access through TV select "Settings" and choose "Terms and Conditions".

TV GUIDE

The all new TV Guide makes channel surfing easy

Program Details

Shows marked "save" can be saved to view after their air-date. Use the "+" button to add the show to your Watchlist.

★ Starred programs are recommended for you

Change View

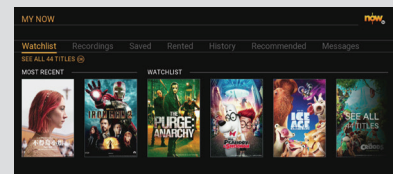

See All Channels, Favorites, Subscribed or channels by genre.

Set Favorite

Highlight the channel logo at left, then use the color button to mark as a favorite.

MY NOW

Your Watchlist, History and Personal Recommendations

Most Recent

Pick up where you last left off.

History

Quickly access programs and channels previously watched. (You may choose to turn off the History function in Settings.)

Personal Recommendations

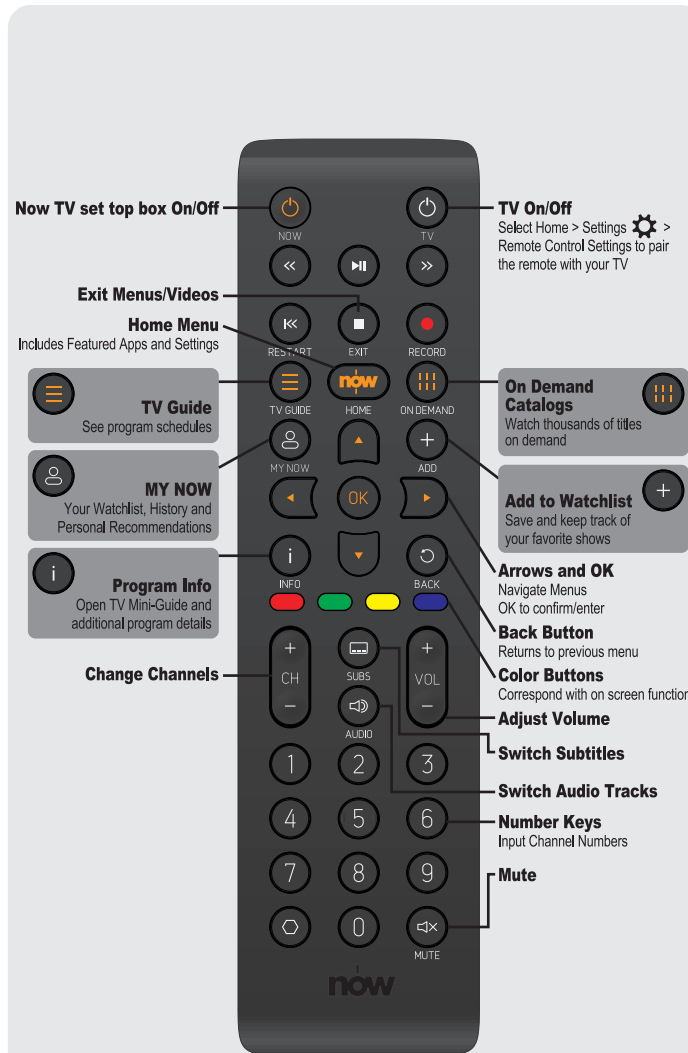

Get introduced to content selected just for you.

WATCHLIST

The Watchlist helps you keep track of your favorite programs and shows. Use the "+" button or on screen selection to add programs to your list. Many TV shows and future episodes will be saved for you to watch later.

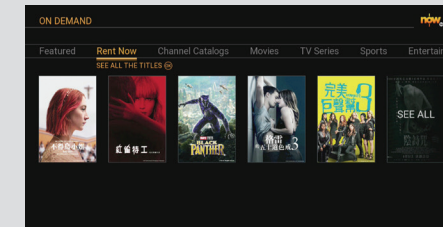

Unfortunately, some channel operators don't allow users to save their TV programs. For those shows, however, the Watchlist will still help you find other times to watch an upcoming episodes easily.

Remote Control

ON DEMAND

Watch movies and shows when you want

Unlimited Viewing

You are entitled to unlimited viewing of content from your channel subscription packages at no additional cost. Feel free to watch more!

Video Express

You can also enjoy the very latest blockbusters on a pay-per-view basis. Get 48-hour unlimited viewing with Video Express using either Now Dollars or cash.

WHILE WATCHING TV CHANNELS

These functions are available while watching television channels:

Info & Mini Guide

Press the Info Button to see the Mini-Guide and program details.

Coming Up

The right arrow button will show the channel's program line-up. Select a show to see more info.

Watchlist

Use the down arrow to show your Watchlist at the bottom of the screen.

History

Use the back button to show your History. Switch quickly between your most recent channels and shows. Channels will appear in your History after you've watched them for a few minutes.

When you want - Where you want! Free!
